Tasting Notes

Gorgeous oxblood core and ruby rim display the brilliance of a vintage royal jewel. Nose bursts with a complex potpourri of wintergreen, bay laurel, and subtle eucalyptus, transmuting into a soft perfume of gardenia and Madagascar jasmine. Dark ripe fruits follow, interlaced with rose petals and heavy cream. Time in the glass brings out hints of grenadine & soda with exotic Asian apple folding into cedar box, leather, and damp limestone, finishing with festive notes of vanilla bean and nutmeg atop English trifle. Mouthfeel is luxuriously silky with medium tannins and a lengthy finish. Pair with glazed double-cut pork chops and garlic mash, or something similarly inspired and indulgent. Drink now through 2025.
