Tasting Notes

Delicate, lithe, and ethereal pale golden yellow in color, this wine is pristine and pure on the nose. Fragrances of lemongrass, lychee, and wildflower honeycomb commingle with muted tropical notes of unripe pineapple, subtle guava, and lemon zest. Rounding out the bouquet is a trace of Marcona almond with sea salt and hints of vanilla and creamy lemon curd. Lean structure remains true to the old world character favored by fans of our early vintages of Chardonnay. Mouthfeel is lean and silky with an elusive brine lingering on the palate—perfect for oysters or whatever you love from the season’s best seafoods. Drink now through 2022.
