Details

100% Saignée of Estate Grown Tempranillo

Stainless steel fermentation

14% alc. by vol.

Production

100 cases

12 x 750ml format

Notes

Vintage rose coral in color with a translucent amber rim, this wine embodies summer both visually and on the palate. A swirl of the glass raises a delicate bouquet of ripe melon, stone fruits, and guava nectar, leading to strawberries, passion fruit, and effervescent cedar. Time in the glass reveals floral notes of star jasmine, gardenia, and subtle tea rose. Surprisingly intense with loads of ripe, succulent fruit that penetrates midpalate and is followed by a clean, bright, seamless finish.
