Notes

This wine is our endless summer in a bottle—straw gold and flaxen with refreshing clarity. Tropical fruit notes delight the nose, commingled with subtle citrus, fever grass, and lemon verbena. Night blooming jasmine and honeysuckle are shadowed by stone fruit, lychee, and frankincense. Palate delights with a cascade of vibrant pineapple and luxurious guava, finishing with delicate rosewater and effervescent bergamot. Enjoy ice cold now through 2022.
