Notes

A single day of skin contact imparted this wine's deep magenta color, signaling lush aromas of ripe strawberry, Bing cherry, and potpourri of dried rose petals and hibiscus, with a bonus note of honeydew melon. Palate faithfully delivers on bouquet cues with addition of framboise lambic and a hint of orange zest. Round body, creamy mouthfeel, finishes with subtle tannins. Drink now through 2019.

Pairing Inspiration

Watermelon, basil & feta salad.
