

Betelgeuse*

2017 Betelgeuse White

Details

100% Mendocino Sauvignon Blanc

Stainless steel fermentation

Production

600 cases, 12 x 750ml format

Notes

This wine's unusual yellow gold hue foretells an abundance of Asian pear & orange blossom on the nose. Palate delivers poached pear with hints of vanilla, lychee, tropical notes of pineapple and coconut, and a bright highlight of orange rind. Refreshing and balanced with good acidity, this wine is a summertime must-have. Drink now through 2019.
