Tasting Notes

This wine is ethereal yellow starlight in the glass with sweetness on the nose belying surprising dryness on the palate. Nose of white florals is dominated by jasmine and citrus bloom. Palate leads with white peach, tangerine, kumquat, mango, and lemon verbena followed by an earthy note of citrus rind and faint traces of candied lemon peel and yellow Starburst. Mouthfeel is creamy and full-bodied with a minerally finish. Drink now through 2021.
