BROWN ESTATE 2019 CHAOS THEORY PROPRIETARY RED BLEND, LOT 2

Chaos Theory began as a one-off blend of Cabernet Sauvignon and Zinfandel that David created for our first participation in the annual Premiere Napa Valley trade auction. It made such a splash he went back to the cellar to dial in the details so we could make it a permanent part of our lineup. Over the years this proprietary blend has become a shape-shifter, each vintage its own unique blend. Such is our journey through the world of wine — a constant adventure that reminds us year in and year out that no matter how random or chaotic things may seem, amidst the mayhem there is reason, if not always rhyme.
