NAPA VALLEY

BROWN ESTATE 2019 BROWN RECLUSE

Like its namesake spider, we hope your encounter with this elusive wine will become the stuff of lore. So reads the back label on our Brown Recluse, originally inspired by a wine David created for our first appearance at the Auction Napa Valley barrel auction in 2007. We bottle it when Mother Nature permits, with David historically calibrating the blend for each new vintage based on both the vineyard yields and characteristics imparted by the growing season. This 2019 edition is a departure in that it is one hundred percent Cab Sauv — our final bottling from the east side of our property before it was heavily damaged by fire in 2020.
